

Where is the Clarkes-Highland CPO?

The uniquely-colored area labeled “Clarkes-Highland” (near center-right of map at right) is within the boundaries that Clackamas County’s Board of Commissioners set for the Clarkes-Highland Community Planning Organization.

How can I be sure that my address is within the CPO’s boundaries?

Visit CMap at: <http://cmap.clackamas.us/>. Enter your street address, and click “Find Map.” When a result displays, click on it, then look under “Service Information” on the resulting page. Or call 503-655-8552, and ask for the Citizen Involvement Specialist.

Still don’t know if you live inside the CPO’s boundaries?

If you’ve checked the map, and used the county resources, and still aren’t sure, then call the Clarkes Grange at 503-829-6844.
